

Timothy P. Dauber

I am a performance-driven operations leader with a strong foundation in team dynamics, strategic planning, client acquisition and financial management, with supporting experience that extends a period of 25 years. I have demonstrated ability to combine vision, creativity and strong business acumen, with well-developed leadership skill sets, to support organizational needs. My professional background consists of 11 years in the higher education space, 10 years in multi-unit high-volume retail, and 7 years in the public financial sector.

I am currently employed by Everglades University serving as the Vice President of Operations. This organization is a non-profit university system that serves adult learners. The university is ranked in the top quartile of the United States predicated on academic outcomes. In addition, I have served in other organizations as a Regional Vice President of Operations and as a District Manager for a \$50b high-volume retailer with direct responsibility for \$436m. Lastly, Deputy Treasurer for the County of Cook – responsible for collecting, and distributing, approximately \$7b in real-estate tax revenues annually. Furthermore, I have an extensive background in government finance, budgets, contracts, purchasing and community organizing. Lastly, I am veteran of the United States Navy.

I have been married to my wife Laura for 20 years and we are the proud parents of 17-year old twins. Our sons are attending Hagerty High School, and both have taken an active role in their school community as well as being A students for all 4 years. My wife and I are very active in supporting the local high school, including the drama and computer modeling clubs as well as the Army ROTC Program.

My wife, twin boys and I, drove through this community when we first moved to Florida, and knew immediately, that this is where we wanted to call home. The look, the feel, the open preserves ... it was a feeling of home, comfort, and belonging. We have made great friends in this neighborhood -- lifelong friends and want to ensure that we play an active role in enhancing and promoting the community to both current and future residents.

I believe that my experience with budgetary planning, project management and community partnerships will be valuable assets towards serving the board and the community. In addition, I strongly believe in protecting the integrity of the community as well as our conservation. I would greatly appreciate your support in this endeavor and will be more than happy to provide additional details if needed.

Thank you for your consideration.

Submission as candidate for The Sanctuary HOA Board:

Bob Howard

3732 Heirloom Rose Pl.

I am a retired Army officer, living in The Sanctuary since 2005. I have served on the Board about nine years, with additional service on multiple committees, and hope to have your support for another two-year term.

We have a fantastic community, with amazing amenities and tons of activities. I'm always impressed with the spirited participation by so many members in all aspects of our community life and want to continue the Board's support to fostering that community spirit. We also have continued to put our resources toward focused improvements in our infrastructure and amenities, including a rigorous preventive maintenance and repair schedule.

With your support, the Board will continue to improve our community and preserve and enhance our property values.

Hope to see you at the annual meeting, but please remember to send in your proxy if you can't attend!
